Trials

- All bridal trials are done during the week with occasional Sunday availability. Trials are exclusively for brides who have submitted a signed contract and retainer fee.

- I SUGGEST no more than 1 guest present at the time of trial due to the overwhelming environment it can create for brides.

Additional Notes

- All inquiries are responded to in the order they are received. Confirmation of booking and secured date is only guaranteed once a completed and signed contract is received with the non-refundable retainer.

- If you decide to move forward, a soft hold will be placed on your requested date for 4 days from the time the booking requirements are sent.

- Final balance will be due in full from the bride (or alternate appointed individual) week of services.

- Should your wedding venue require any additional insurance policies outside of the ones I or additional artists carry those fees will be added to the final total.

Thank you so much for considering me as your day of artist! I know this is alot of information so please, please reach out should you find you have any questions or concerns regarding anything discussed so far!
